

L.I.G.H.T

Carillon 195

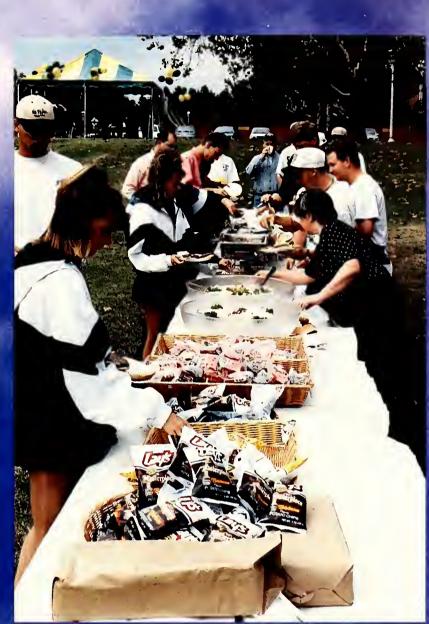

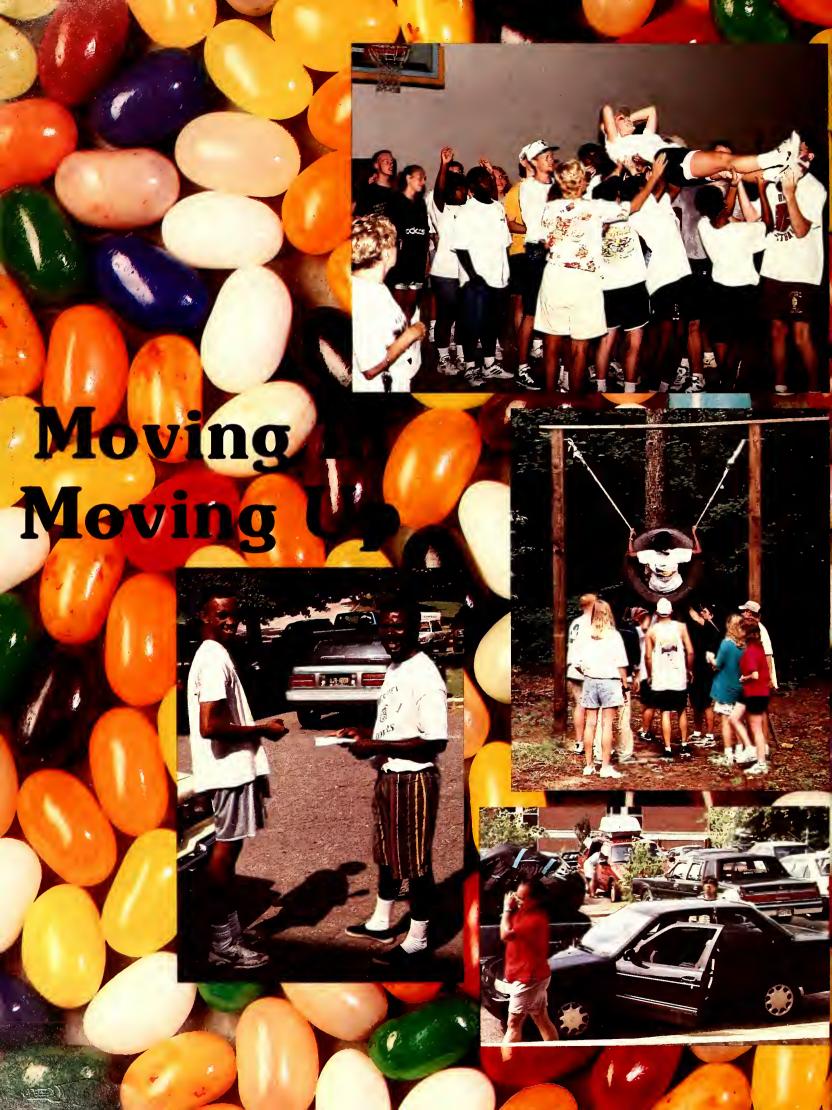

This unusual and colorful portrait of Jimmy Hendrix was presented to Methodist College by visiting artist/performer Denny Dent after his fall show.

Graduating Senior Jeff Baker stands with one of his sculpture pieces. Behind him is his tribute to Hank Williams Jr. Each small detail, from the wooden crate to the belt buckles on his pieces, is handmade by Jeff.

## Lasting Impressions

(Above) Great art and good food are just part of the fun to be had at opening events in the Mallet-Rogers house.

Etsuko Martin stands with a multimedia work which is definitive of her theme of alienation.

This sculpture, by Rodney Harris, suggests some aspects of life: uncertainty, worrry, need for direction, and lack of security.

In the Spotlight Maria Rodriguez hails from Cali, Colombia and is majoring in Spanish and Psychology. This junior credits her spouse's military career as one of the forces which brought her to Methodist College. She says it is the best of available colleges. Professors Garcia and Cruz are the friendliest people she has met here and looks forward to meeting more. Of all the possibilities for changes here on campus, Maria would like an updated Foreign Language Laboratory.

In the Spotlight

Amy Young Tricia Bierkan

Jahiro Ramirez is an International Studies major who has chosen German as a minor. He is an out of state student and calls West New York, New Jersey home. Being an admitted introvert makes it difficult to judge the friendliest person on campus, but he cites Mrs. Cherry for her warmth and many smiles. Jahiro notes a dull surrounding city as the only change he would make about Methodist.

Non-traditional student Cynthia Allen has met plenty of people on campus and she finds most to be extremely friendly. Cynthia calls Sumter, SC home. She chose Methodist for the Physician's Assistant Program. The best feature here is the availability of the professors and their varied personalities. In her opinion, the cafeteria food and some of the dorm rules are in need of alteration.

Alvy Styles comes to Methodist from Dublin, Ireland. She is seeking a major in Physical Education with a minor in Special Education. Fellow soccer enthusiasts informed her about the school. She enjoys the small population and sports programs here. Megan Burnett is the friendliest person she has met. A common complaint among students, Alvy would reduce the cost of tuition.

Tori Wyche John Travis Yazzell Shelly Bennett Hamilton Cuthrell

Tennis and the good Pre-Med program brought Isabel Barcelo to Methodist. She particularly enjoys the learning atmosphere and the ease with which it is possible to make friends. Christy Hopper and Karla Oates are her buddies. Queens, New York is her hometown. Isabel is also pursuing a minor in Spanish. She wishes the cafeteria food could be changed.

Terrance Winslow came all the way from Ozark, Missouri to the Cape Fear Region. He has not yet decided upon a major yet. The small class size and willingness of the faculty to help are the reasons he chose Methodist. He believes the cost of attendance needs revising, but loves the free golf he can enjoy as a student.

Corene King has also not decided upon a major. She is from Syracuse, New York and likes the soccer programs. The warm Southern weather and kind people make Methodist a good place to be. She would change the lack of night life.

Lamarr Hardy came to Methodist for the Professional Tennis Management Program and is steadily pursuing his degree. He comes from Shallotte, NC and enjoys the close-knit atmosphere on campus. Karla Oates is the freindliest person he has met so far. Of all the things he could change here, Lamarr would add fraternities and sororities.

All that is comes from the mind; it is based on the mind, it is fashioned by the mind.

#### From Lifelines...

Mark Lee made the first untethered spacewalk with fellow astronaut Carl Meade from the space shuttle Discovery. The nitrogen powered jet pack cost seven million dollars. It was designed as a life preserver for space station crews of the future. Let's hope we get to see such a technological fantasy come true in our lifetime.

sin-drenched and mud-covered rock-n-roll enthusiasts paid up to \$135 in advance for an anniversary concert commemorated Woodstock. Over 350,000 people showed up and only 200,00 tickets had been sold. The crush of fans made parking ficult and some walked up to twelve miles to enjoy the music. Overflowing toilets, scarce food, and rampant drug use ounded as musicians did their best to pay tribute to performers from the Age of Aquarius. Joe Cocker returned and belted to "With a Little Help From My Friends." Bob Dylan made his debut appearance at Woodstock crooning "Just Like a oman." Current star Melissa Etheridge gave her impersonation of Janis Joplin with "Piece of My Heart." What will the attached the standard processor of the standard

#### To Lovelines

#### Close to Home...

82nd Airborne Corps troops were already deployed in dozens of airplanes when Haiti's dictator and military leaders ceded to the United Nations. The invasion was halted and 21,000 U.S. troops landed in an international effort to maintain peace until elected president Jean-Bertrand Aristide could assume control of the poor nation. Both Haitians and Americans breathed a sigh of relief at the cancelled invasion due to the high number of casualties which may have resulted. Thank goodness peace reigned.

Opposite page top: Fierce resistance to Russian governmental control and the burning desire for independence has brought civil war to Chechnya. Chechen rebels have resisted the greater firepower and manpower of the Russian army. Made up of over 160 clans with a history of feuding amongst them, the Chechens have humiliated Russian military leadership and brought the eyes of the world upon them.

Opposite page bottom: Civil war in Rwanda has seen over half a million people killed and close to two millian refugees searching for safety and hoping for a new beginning. The violent disputes between the Tutsis and the Hutus is not new. Thousands of Tutsis were murdered by Hutus in uprisings of the early 1960's.

# And Far, Far Away

#### What We Want...

Less crime, fewer victims of violence, and reduction in the amount of drugs on our streets were the goals of the crime bill signed by President Bill Clinton. Realizing that the bill is ineffective without people, the President stated "Our country will not be safe again until all Americans take personal responsibility for themselves their families, and their communities."

Responsible politicians is the promise Newt Gingrich and his fellow Republicans make with the Contract with America. The Speaker of the House and his colleagues stress individual responsibility for handling affairs versus governmental controls. The guidelines in the contract reflection conventional, conservative thinking - - a return to the old ways and good days of elected leadership.

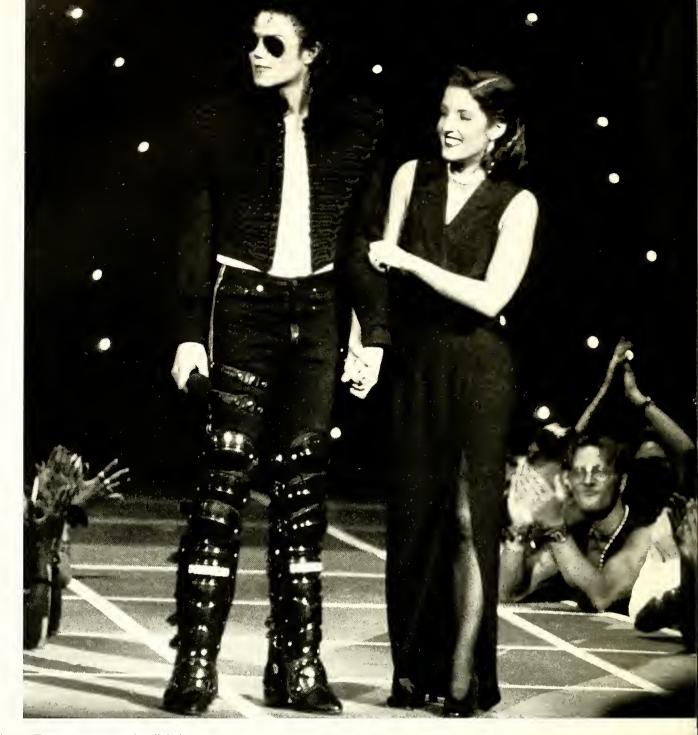

Left: Health care reform was a hot topic in 1994-1995. Whether it be the push by Democrats for a national health care system or the Republican trust in competition, all Americans agree that something must be done about skyrocketing health care costs.

Below: Peace was finally settled between Jordan and Israel. Israeli Prime Minister Yitzhak Rabin shook King Hussein's hand on the South Lawn of the White House ending bitterness and enmity which was heightened by the creation of Israel in 1948.

#### And What We Need

# SU R P R I S E

Above: Two stars met and collided into holy matrimony. Pop superstar Michael Jackson wed Lisa Marie Presley, daughter of Elvis Presley (the King of Rock and Roll). The couple attempted to keep their union a secret while holding up in the Trump Tower apartments. MTV was fortunate to feature the debut of the married couple on its live broadcast of the Video Awards from Radio City Music Hall.

Right: Retirement from the Chicago Bulls basketball team did not stop Michael Jordan from pursuing a career in baseball. Jordan signed with the Double-A Birmingham Barons and finished with a .202 batting average. This second career did not last long. Jordan came out of retirement in May of 1995 to rejoin the Bulls.

ather Whitestone became the first Miss America with a disability. The twenty-one year old from Alabama became 68th Miss America. She performed a ballet dance for her talent routine and her slogan was "Youth Motivation: ything is Possible." The Birmingham native believed "I think I'll do just fine" as the reigning queen of our nation's gest scholarship for women.

Boston's bad boys of rock and roll picked up three awards at the 11th annual MTV Music Video Awards ceremony. The former toxic crew received best group video, video of the year, and viewer's choice award for their hit "Cryin."

### Natural Disasters

January 17, 1995 brought the reality of a disastrous urban earthquake to Japan. The city of Kobe, a major export center, was wo hit. Many hundreds of buildings toppled, setting off fires and killing more than five thousand people. The earthquake registered 7.5 the Richter scale and was felt as in northern Japan as well. Pop singer Billy Joel, on a Far Eastern tour, donated income from one of concerts and was quoted widely as to his being awakened by the aftershocks.

estern America experienced some of the worst forest fires in history as more than three million acres of odlands burned. Thousands of firefighters, including college students, participated in the summer-long fight, ise, Idaho saw its mountain residents evacuated when a single fire consumed 27,000 acres. Jackson Hole ski ley and western Wyoming's Grand Teton National Park were also scorched. The Cottonwood fire in lifornia's Sierra Nevada raged for eight days before finally being eradicated on August 24 by disheveled, nausted firefighters.

In January, strings of storms in the Pacific led to great rain and flooding in California. At least eleven people died and over \$300 million in flood damage were caused across the state. The National Guard was called in to help officials in Humboldt County collect the rotting carcasses of sheep and dairy cattle floating in the Eel River. "We've conquered every challenge that man or Mother Nature could throw our way," said Governer Pete Wilson in an attempt to improve the morale of his constituents.

# It Looks Almost Like Noah's Ark

Two weeks of record rain caused flooding in Georgia which killed thirty-one people, destroyed bridges and roads, and uprooted caskets from cemeteries. Tropical storm Albert was mainly to blame. More than 400,000 acres of crops were destroyed and about 35,000 people were forced to flee their homes. Forty-six counties were declared national disaster areas. Due to the washing away of top soil, farm pond dams crumbling, and barns and other buildings being damaged agricultural experts predict that it will be years before farmers recover.

# In the Name of Freedom

ft Page: Desperate to escape Communism, poverty, and hunger, Cuban refugees came north on virtually anything that would float. Le U.S. Coast Guard intercepted more than one thousand craft in a single day in September. Reversing a twenty-eight year policy of t granting Cubans asylum, President Clinton agreed to admit at least 20,000 Cubans each year. Fidel Castro promised to halt the gration of boat people in return.

clow: Efforts by the United Nations peacekeeping force did not halt or lessen the civil war in Bosnia-Herzegovina. Over 200,000 ople are dead or missing in the two-and-a-half years since the war began. NATO air strikes attempted to put a distance between the osnian Serbs and Muslims. The situation has since turned dire with the downing of an American pilot. Hopefully, no American troops ll be called into combat and peaceful negotiations can be made for both the pilot and the Muslim people.

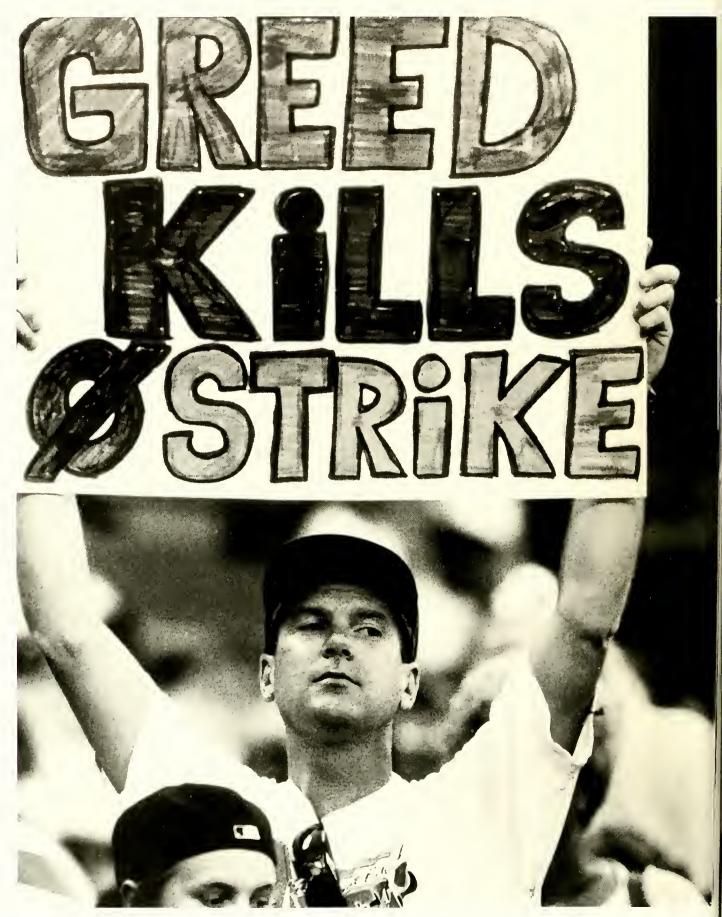

Above: A stolen, single engine plane crashed into a magnolia tree on the White Houle lawn shortly before 2 a.m. on September 15, 1994. Frank Corder, a truck driver, flew the plane past restricted air space, hit the tree, and died as the plane burst into flames. No one is quite sure the motivation for this tragedy. Corder suffered from depression and had a history of substance abuse. The recent dissolution of his marriage may have fueled this event, but relatives and friends alike are unsure if this was a publicity stunt or a suicide attempt.

Right: The New York Stock Exchange broke the 3400 mark and continued to set records in 1995. This is good news for investors and all Americans as the recession is slowly chipped away.

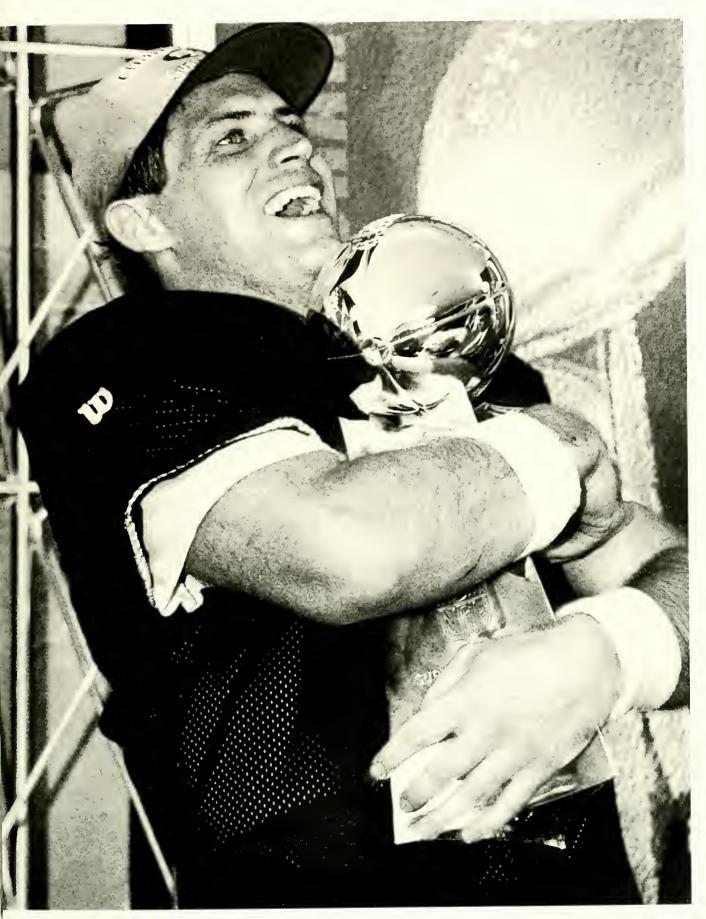

#### To Play or Not to Play

Baseball in 1994 ended with a strike. After just thirty-four days of play, team owners canceled the rest of th season. No playoffs and no World Series because of the major league players strike. The insistence by owners capping player salaries was the main issue which could not be resolved. Fans suffered throughout the fall and wer relieved when talks finally brought about a resolution in the early part of 1995. Many fans refused to attend major league baseball games and support atheletes who found the dollar more important than the game.

tuper Bowl XXIX was a victory for the San Francisco 49ers over the San Diego Chargers with a score of 49-26. Iteve Young, quarterback for the 49ers, put his name on the record books with six touchdown passes. Young passed for 325 yards without an interception and ran for 49. He was unanimously named the games most valuable player and he came out from behind the ghost of previous 49er quarterback Joe Montana.

Above: Brazil's defense against Italy in 90 minutes of regulation play and 30 minutes of overtime brought them their fourth World Cup title. Italy remained scoreless due largely to the talents of goalkeeper Claudio Taffarel who knocked out a penalty kick tiebreaker by Italy. Injuries by back line players did not hamper the team. When called a hero, Taffarel refutes "All eleven players are."

Right: After a year of not-so-remarkable tennis, Andre Agassi snagged the U.S. Open with relative ease. Unseeded Agassi beat six opponents, four of them seeded, before a straight set victory over number 4, Michael Stich of Germany. The silver trophy and check for \$550,000 put Agassi back on the map. "It's quite amazing what I pulled off," said Agassi to the press after his win.

## Ready for Action

#### FOOTBALL

The 1994 Football Team had its best record in the school's history and it's first non-losing season (5 wins - 5 losses).

Freshman DeCarlos West established a season rushing and scoring record. Jesse Iverson broke the reception record, and Steve Burton led the defense.

Senior Britt Morton was named third-team All-South and was the Division III National Player of the Week, against Bridgewater College.

Above: Freshmen, Phillip Bembry is in the clear on his way to the endzone for a touchdown.

Above Right: Freshmen, Jesse Iverson dodges a tackle from his opponent, after catching one of his many receptions.

Right: Freshmen, Sigmond Platt stops the ball, as he man-handles the opposition.

Left: Freshman, DeCarlos West does his best to avoid a would be tackler during a home game.

Bottom: Coach Jim Sypult and his assistants pace the sidelines as they ponder their next play.

tom Row: Britt Morton, Cliff Harris, Haywood Collins, Tim Church, Charles Simpson, DeCarlos West, Kendrick Jacobs, Tim Brewer, Delondon Gaither, nal Taylor, Gregory Williams, Matt Fox, Donald Gustafson, Rodney Ellis & Keljin Adams

Row: Manager Rob Abogast, Brady Grantham, David Strickland, Mike McDermott, Jason Beadnell, Edwar Gunter, Adam Doman, Jason Doss, Reggie Dry, Lamont Evans, Phillip Bembry, Darrell Boyce, Frankie Dixon, Jerome Riddick, Scottie Mason, Travis Phillips, Jason Hare, Fred VanSteen, Adam Lough, sley Hammox & Manager Jack Sheppard

Row: Juan Valdez, Stephen Blouin, Danny Sadler, Don Tolley, Cliff Junkins, Jason Brown, Allen Avant, Coach Clayton Banner, Coach Eric Westerfield, ach Ed Holly, Head Coach Jim Sypult, Coach Dave Eavenson, Caoch Mike Sinkovitz, Coach Greg Banner, Coach Ralph Isernia, Richard Dennis, Tony Beja, Jeffery Sumner, Chris Morris, Hamilton Cuthrell, Chris Adkins & Derrick Evans

Row: Dario Ramos, Mike Shea, Jerry Jones, Pinkney Gamble, Luther Overton, Todd Purgason, Brandon Sherrod, John Tate, Todd Townsend, Joseph urcelle, Simon Goode, Mike Jacobs, Billy Oakley, Deshelle Thomas, David Sessoms, Ronald Bellemy, Edward Longhany, Stacey Bolton & D.J. Morrin

Row: Leon Clark, Jerome Crews, Jamal Waddell, Dedrick Gaddy, Elmore Lowery, Jarvis Baldwin, Yosef Boutte, Richard Hill, Allen Braun, Robert pring, William Prickett, Jon Mitchell, Curtis Green, Leonard Bellamy, Jason Kemp, Sigmond Platt, Oscar Braun, Scott Shackleford. A.J. MacPherson & Ver Burton

Row: Aaron Carter, Tyrone Mathis, Derek George, Eric Abendschein, Randall Rohm, Brian Strickland, Eric Platz, Corey Cunningham, Stacey McGhee, ndall Webster, Anthony Fairlamb, Michael Joyner Jr., Earl Fountain, Roman Kittle, David Abernathy, Andrew Farriss. Scott Lybarger, Jesse Iverson, Robulker & Raiford Gainey

#### **CHEERLEADING**

The Methodist College Cheerleaders have once again received National ranking. The team, led by Captains John Cooper and Cara Vandenberghe, submitted a video to Universal Cheerleaders Association. The video was recognized as one of the top in the Nation to qualify the team to compete in the National Competition at MGM Studios in Orlando, Florida. On April 6, the team left for Florida where they faced many top Cheerleading squads. The team delivered an outstanding routine, in which they received a 4th place finish, for Division II & III schools.

Front Row: Coach Ed McEnroe, Ryan Baer, John Cooper Don Tolley, Tyrone Mathis, Dale Brown, Tim Church & Coach Susan Ryan

Second Row: Chrissy Cullen, Jeri Francis, Erin Hawkins Cara Vandenberghe, Bruni Rosa, Sharon Smyzuk, Trister Brennan & Jessica Kindle

Above: One of the many stunts performed by the Monarchs at Nationals.

Right: Methodist College Cheerleader celebrate after receiving 4th at Nationals.

Left: Bruni Rosa and John Cooper cheers on the crowd at a home football game.

Nationals

#### WOMEN'S SOCCER

The Methodist women's soccer team completed the 1994 season with an impressive 13-5-3 record and a trip to the NCAA South Region Final. Senior All-American Becky Morton was a Dixie Player of the Week, named to the DIAC first team All-Conference and was recognized as Player of the Year for the second time. Also joining Morton on first team All-Conference were Senior, Tammy Murphy and Junior, Ruth Keegan. Monarchs selected for the All-Conference second team were: Sophomore, Jen Maurer; Junior, Michelle Spees; Senior, Michele Brown; and Sophomore Alvy Styles.

Above Right: Freshmen, Kim Reckner heads the ball down field to a teammate.

Sophomore, Alvy Styles works her way between two defenders.

ttom Row: Tracy Wood, Becky Morton, Jennifer Maurer, Megan Burnett, Alvy Styles & Stacie Gause

Row: Assistant Coach Vic Campbell, Candace Croal, Tiffany Sprouse, Fiona Grogan, Kristen Wright, Michelle Pes, Darelene Dykas, Kim Reckner & Head Coach Joe Pereira

#### MEN'S SOCCER

The Methodist men's soccer team finished the 1994 season with a 13-4-1 record and a NCAA bid. Junior, Michael Scobee led the team and conference in scoring wit 19 goal and 4 assists. Five of those goals came in a 7-1 thrashing of N.C. Weslyan, breaking school records. Scobee was named to the first team All-Conferencee. Junior, Co-Captain Kenny Hoey was one of the most tenacious midfielders, scoring four goals and feeding ten assists. He was named first team All-Conference and the 1994 Player of the Year. Other players recieving second team honors were: Junior, Justin Terranova; Junior, Daniel Barros; Sophomore, Dylan Hanlon; Freshmen, Bjorgvin Fredriksson; and Freshmen, Kemal Kansu.

Right: Junior, Michael Scobee attempts to head the ball backwards to one of his teammates.

Bottom Row: Manager Bill Capobianco, Kenneth Hoey, John Demos, Daniel Baros, Karl McKenna & Assist Manager Raul Suarez

2nd Row: Larus Isfeld, Kemal Kansu, Bjorgvin Fredriksson, Mike Hoban, Scott Zapko, Bobby Lovelace, Planlon, Jason Wolfe & Sudi Naraine

Back Row: Head Coach Alan Dawson, Michael Scobee, Orlando Nieves, John Cureo, Justin Terranova, Hallo Steingrimsson, Christian Treney, Dylan Hanlon & Assistant Coach Todd Rubin

Left: Freshmen Sudi Naraine takes advantage of his opponent, who falls to the ground.

Middle Left: Freshmen Kemel Kansu weaves his way around the defenders, to advance the ball down field.

Below: Freshmen Larus Isfeld kicks the ball across the field.

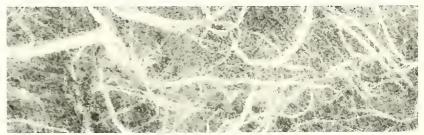

Above: Junior, Kenny Hoey sends the ball upfield to a teammate.

Left: Senior, John Demos advances the ball as Junior teammate Bobby Lovelace, looks on.

#### **VOLLEYBALL**

Above Right: The Lady Monarchs get ready for the serve to come across the net.

Above: Senior Kim Miller saves the ball from going out of bounds as her teammates look on.

Right: Freshmen Teresa McMillian leaps up for the spike across the net.

clow: Great hustle by the Lady Monarchs to keep the ball alive.

The Lady Monarchs, who ended the season 6-25 and 4-8 in the conference, never really jelled, but can look forward to a promising future. This season, Methodist carried just one senior and seven freshmen giving Head Coach Karen Smith considerable raw talent to build with. The Lady Monarchs were led by first team Dixie Conference selection, Senior Kim Miller. Miller was second on the team in aces with 30 and was fourth in the conference in assists with 22. Also leading the Lady Monarchs was Sophomore Stephanie Greene, who led the team in aces and was 10th in the conference.

pach Karen Smith, Trenessa Upchurch, Stephanie Horne, Stephanie Greene, Shawn Boyd, Kim iller, Tori Wyche, Stacy Lester, Rori Knight, Teresa McMillian & Gorgette Singleton

#### WOMEN'S BASKETBALL

Methodist's Lady Monarchs finished second in the Dixie Conference Championship. With a season filled full of ups and downs, the women ended their season with a 12-14 record. Freshmen Teresa McMillian led the Lady Monarchs and was named to the DIAC Women's All-Tournament Team. Senior Katina Thorne was given The Coach's Award at the awards banquet.

Right: Sophomore Emily Taylor shows everyone how it's done.

Above: Freshmen Natalie Huber shoots for two around a defender.

Right: Junior Leigh Watkins shows us her form as she takes a jumper at a home game, against CNU.

ck Row: Assistant Coach Wendy Jordan, Susan Collins, Penny Mills, Katina Thorne, Emily Taylor, Teresa Millian, Monique Allyne, Natalie Huber, Leigh Watkins & Coach Rita Wiggs

Above: Freshmen Teresa McMillian skies over her opponent for the easy basket.

Left: Senior Katina Thorne shoots over her defender for the score.

#### MEN'S BASKETBALL

The Monarchs finished 9-16 in the season and 6-6 in the tough Dixie Conference. This was good enough for a third place conference finish. The Monarchs had good crowds to support them at home and rolled to a 7-3 mark in the Riddle Center (15-6 over two years). The team led the Dixie in team defense allowing only 76 points per game. Sophomore sensation Tyrone Bennett ranked 12th in the nation in blocked shots, while Sophomore, Jason Childers led the team in scoring at 16 ppg. Senior Captains, Kevin Dennison and Bill Nebrich, also provided great leadership to the team as well as inside scoring and rebounding.

Right: Sophomore Jason Childers pump fakes for a shot against the CNU defense.

Sitting: Lamont Petterson, Sean Gardner, Nate Davis, Jerome Williams, Marcus Martin, Eric Rhew, Kenny Mills Ted Wilson

Standing: Assistant Trainer Erin Johnson, Undergraduate Assistant Bobby McGraw, Damond Jones, Jo Everet Kevin Dennison, Head Coach Bob McEvoy, Bill Nebrich, Tyrone Bennett, Jason Childers, Andy Rutherford Undergraduate Assistant Carter Catlett

Top Left: Senior Kevin Dennison extends for an easy two points against Chowan College.

Left: Sophomore Tyrone Bennett is head and shoulders above the rest with this rebound.

## WOMEN'S TENNIS

Above: Sophomore, Isabelle Barcelo watches carefully as she returns the ball across the net. Above Right: Watch out for this overcoming advance!

Right: The tennis team takes a time out to have a little fun.

OppositeAbove Left: Sophomore, Christy
Page Hopper extends fully on the serve
across the net.

From L to R: Assisstant Coach Tom Maze, Cristy Hopper, Isabelle Barcelo, Karla Oats, Christen Klarenbeek, Megan Burnett, Anne Scimo, Student Trainer Kevin Starke & Head Coach Theresa Warrell.

The 1994-95 women's tennis team exemplified the meaning of athletic competition. With a positive outlook, a ton of hustle, and big hearts, the team completed the season with a third place finish in the Diac Conference Tournament.

Freshman Isabel Barcelo accepted the challenge of the #1 position. She improved with every match. Team captain Christy Hopper served the team with great leadership. Anne Scimo overcame endless points and marathon matches to finish the season with a singles record of nine wins and two losses. As a newcomer to tennis competition, Karla Oates learned the definition of workout and killer instinct. In her second season of tennis, Megan Burnette earned a 4-1 record in regular season conference play. Joining the squad midseason, Kristin Klarenbeek was a welcome addition to the team. She came armed with a positive attitude. Anne Scimo was selected as the 1995 Most Valuable Player. She was nicknamed by her opponents, "the human wall". Christy Hopper was the recipient of the Coach's Award. A lot was demanded of her and she gave of herself to benefit the team. As the team captain, she was able to establish team unity and foster positive attitudes.

#### MEN'S TENNIS

Methodist College men's tennis team won its fifth consecutive DIAC title this year. For the second consecutive year, Methodist swept the DIAC regular season matches with a 5-0 record. The following players were named to the Dixie All-Conference team. In singles: Freshmen, Scott Jenkin & Sophomore, Joe Baile. In doubles, the team of Telly Sellars and Jeremy Plunley & the team of Baile and Alex Proctor Pearson. Baile has also been named as one of the DIAC's Players of the Week.

Left: Junior Brian Clary waits with anticipation for the return back across the net.

Below: It must be a "Tennis Thing."

Right: Freshmen, Lamarr Hardy has a fierce look of competitiveness after his return across the net.

Assisant Coach Tom Maze, Alex Proctor-Pearson, Jason Brown, Oliver Stephens, Scott Jenkin, Telly Sellars, Joe Baile, Brian Clary, Doug Tingle, Jeremy Plumley, Lamarr Hardy & Head Coach Theresa Warrell

Above: Freshmen Alex Proctor-Pearson serves the ball across the net.

Left: Sophomore Joe Baile watches the ball intently, hoping for an ace, after his serve.

## WOMEN'S TRACK AND FIELD & CROSS COUNTRY

Left: Senior Karen Murphy soars to new heights with this jump.

Below: Senior, Christy Ferguson comes across the finish line as Senior student assistant Simone Young helps at the line.

Left: Freshmen, Jodi McIntyre winds up for another great throw at practice.

<mark>hmen Georgette Singleton has a look of determination as eaps through the air.</mark>

The 1995 season saw a larger, much improved women's track and field team. Fielding the largest women's squad in school history the Methodist women took a very competitive schedule and used it to their advantage. The very young squad finished up the winter indoor season with one of the best performances ever for a women's team at the Mason-Dixon Conference Indoor Championships. The Lady Monarchs finished in the 5th spot in the women's meet and had five women named to the All-Conference team. Senior Karen Murphy topped off her indoor career by taking the individual championship in the high jump competition. Throughout the outdoor season the women's team has progressed steadily with the team coming into its own at the Carolina's Invitational, where they finished second as a team, and Heather Fisher was named the meet MVP for Field events. The women to this point have set or broken 6 school records, and with one meet remaining have a team record of 20-12.

> Bottom Row: Stacey Lester, Karen Auer, Karen Murphy, DaSonyna Gibson & Stephanie Nicholson

> Back Row: Student Assistant Simone Young, Jodi McIntyre, Heather Fisher, Georgette Singleton & Coach Brian Cole

# MEN'S TRACK AND FIELD & CROSS COUNTRY

The 1995 season was highlighted by many outstanding performances. During the indoor season, the Monarchs finished a record third place at the Mason-Dixon indoor conference championships. The Monarchs finished the championships with 3 individual champions & 24 All-Conference selections. The winter season was capped off with Hamilton Cuthrell advancing to the NCAA Indoor National Meet and finishing fifth in the 55 meter dash earning him All-American honors. The Methodist squad kept things rolling going into the spring outdoor season by capturing the schools first ever invitational team championship at the Braves Track Classic in Pembroke, N.C. This was even more of an accomplishment considering the Monarchs were the only non-scholarship team entered in the meet. With two weeks remaining in the season, the Monarchs have set or broken 16 school records throughout their very competitive season consisting mostly of meets against Division I or II competition. The men's season team record stands at 40-6 with one meet remaining.

Above Right: Freshman Mark Linder arches way back for this clearance.

Above: Freshmen Randy Peterson crosses the line after a tough 10K race.

Left: Freshmen Don Tolley reaches way back for his discus throw.

#### SOFTBALL

The Methodist College softball team concluded its season with a 21-23 record. This was a young, yet developing team which split the majority of its doubleheaders. The Lady Monarchs were ranked fifth going into the Dixitournament and finished second in the DIAC championships. Leading the way in hitting with a .370 average was Freshmen Janie Jones. Jones was a solid player at second base and received first team All-Conference and All Tournament honors. Second team All-Conference were Junior Julie Jones and Senior Kerry Oliastro. Also named the All-Tournament team were Junior, Monica Dunn; Sophomore, Heather Lucas; and Oliastro. Lucas was also named the team's Most Valuable Player.

Right: Sophomore Heather Lucas shows us one of her many pitches.

Far Right: Senior Kerry Oliastro has determination in swinging at this pitch.

Left: Senior Kim Miller slides into second base as the umpire calls her safe.

Below: Junior Sandra Tripp crosses home plate for another score.

tom Row: Kim Miller, Heather Lucas, Ginger Elliott, Monica Dunn, Alinor bhens & Kerry Oliastro

k Row: Head Coach Karen Smith, Sandra Tripp, Jennie Longstaff, Karen encourt, Tracy Ossont, Janie Jones & Julie Jones

### BASEBALL

ck Row: Head Coach Tom Austin, Ernie Miller, Tim Adkins, Neal Barwick, Chuck Dethloff, Brian Floyd, Kevin nel, Nate Jumper, Chris Reed & Assistant Coach Jim Peeples

For the first time, the Monarch baseball team had a chance at the NCAA Division III World Series. Semifinal play against Wisconsin-Oshkosh brought a 9-3 victory. The final game against the University of La Verne was a defeat. Defeat is difficult, but the successes and gains throughout this season overcome this loss. Senior Brian Ford maintained and ERA of .39 as starting pitcher. Brian Steinhagen had six RBI's in one day of tournament play. Coach Tom Austin was selected to coach the South Region team at the U.S. Olympic trials. He says "Not many teams get the chance to do what we did. We've come a long way this season. My hat's off to all 25 of our players."

**GRAND SLAM!** 

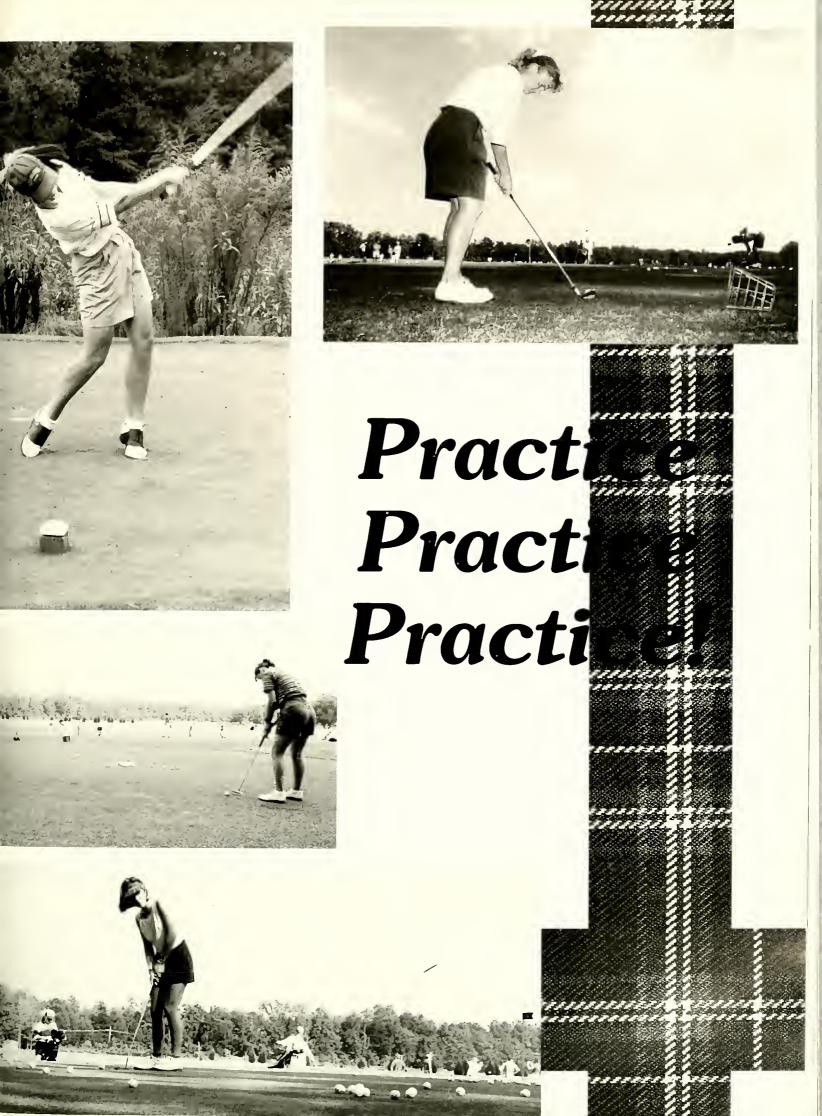

## Women's Golf

Rain, wind, lightning, cold, and thunder did not deter the Monarch women from earning their fifth consecutive NCAA Division III national golf championship. A total score of 953 set the Monarchs 67 strokes ahead of Simpson College of Iowa. Elizabeth Horton and Kelly Cap, both nationally ranked, were invited to play in the NCAA Division I Championship. The entire team earned All-American recognition for having five of the top six individual places. Elizabeth Horton won her second individual title by scoring 233. Coach Ann Davidson said that "we sort of had a history of playing well in bad weather" and "I never get tired of our victories." The Monarchs have faced Division I schools this spring and have fared well. The team finished seventh at the Duke Spring Invitational and went on th win the Lady Lion Invitational. These ladies are proof positive that practice, dedication, and teamwork bring success.

Front Row, Elizabeth Horton, Ana Rodriguez, Cindy del Rosario, Kelly Cap. Head Coach Ann Davidson, Carey Brendlinger, Diane Gladstone, Lea Metz, Jennifer Cieslak, Jenifer Nee, Diane Fisher, Heather Smith, Betzi Hanna, Jennifer Winkles, Michelle Jahren.

## Men's Golf

The 1994-95 Men's Golf Team won its fifth NCAA Division III championship in Terre Haute, Indiana. The Monarchs won a total of six tournaments and three runner-up finishes, two third place finishes and one fifth place finish. Ryan Jenkins made NCAA history when he became only the second Division III player to win two individual NCAA Championships. Ryon won a total four times in his senior year to earn first team All-American, All-District, and All-conference honors. Jim Nickerson and Jamie Hurless were second team All-American, All-District, and All-Conference while Ben Van Ness and Mike Adamson were All-District and All-Conference, respectively. This was an outstanding season for the Monarchs. They won the Camp LeJeune Intercollegiate Invitational and the Emory University Invitational. Coach Steve Conley stated "We had a great team and a great year." Congratulations to all!

Jens Klemsche, a graduate of Methodist Collect returns to analyze and advise a friend's game.

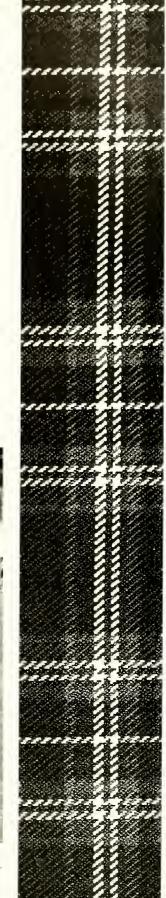

**professional:** Hank Haney, a professional player was hosted by the golf team. He held a seminar complete with personal demonstrations for the Professional Golf Management students here on campus.

oks like a swinging good time on the greens, but plenty of work and practice are the keys to becoming a fine player.

## Clubs and Organizations

Foundations for Future Careers

# American College of Health Care Executives Student Association

This group is a new addition to the many organizations here at Methodist. Formed in the spring and advised by Mr. Richardson, this bunch of students are certain to be either entering the new Physician's Assistant program or pursuing future careers in the medical field.

## Alpha Chi

Front Row: Tammy A. McBride, Rebecca Boland, Laurie A. Davison, Victoria Allen, Margaretta C. Blackwell, Dawna M. Kringel, Linda M. Spees, Lynley Spencer, and Jo Ann Bryant Bagley.

Back Row: Unidentified, Steven D. Baas, Daryl Hales, Brian Scott, and Joan Workman.

An academic honorary, membership in Alpha Chi is by invitation only. This invitation extended to seniors who are acadmemically ranked in the top five percent of their class and to juniors who are ranked in the top three percent of their class. Members are designated by wearing a sapphire blue and emerald-green cord and tassel at graduation. The North Carolina Mu Chapter of Alpha Chi was installed on October 8, 1976. Member pledge to uphold the stimulation of sound scholarship and devotion to truth at their induction ceremony.

## Alpha Psi Omega Fraternity

The theatrical fraternity kept mighty busy this past year with several fundraisers and sponsoring the Hail Dionysus playwriting contest. Money was raised by selling refreshments at plays here on campus and by performing "Tooth Tales: A Musical Review" in February for local schoolchildren. The fraternity members also sponsored trips to surrounding area theatres to attend performances. Always willing to lend a helping hand, Alpha Psi Omega manned telephones during the annual alumni/parent phone-a-thon.

## Beta Beta Beta

Tri Beta is a national honor society for students in th biological sciences designed to promote scholastic excellence and research. Anyone interested in the biological sciences may hold associate membership. Full membership (the right to hold office) is limited to students who have completed three biology courses with a B average. Tri Beta sponsores speakers from wildlife centers and other colleges. Service projects, such as the many recycle bins for aluminum cans, are also a large part of Tri Beta.

## Carillon

Sports Editor Leigh Watkins is surprised to find someone else in the Yearbook Office. Leigh worked for long hours over several days to put together a great sports section. Thanks for all of your effort!

Just how do you fill two hundred pages with captivating photography and eyecatching stories? This is the challenge the Carillon staff has to meet in order to produce a stimulating and enjoyable yearbook for the students of Methodist College. Thanks to the recent addition of part-time photographer Richard Small, there is a wealth of great photos to choose from. Advisor Bill Billings oversees the development of the Carillon while being the director of Public Relations. His secretary, Carla Clift, also provided support by handling numerous requests for documents and endless phone calls. A new computer software program, Taylorvision, sped up the creation and production process by allowing spreads to be implemented immediately with the appropriate text.

Leigh Watkins served as Sports editor for the third year in a row. Kellie S. Fernandez returned this year as Editor. Margo Jarvis signed on as a staff member and provided help in the Portrait and Faculty sections especially. Karla Oates came on as roving reporter. She photographed and interviewed numerous students providing the "In the Spotlight" features.

Editor Kellie Fernandez shows her enthusiasm for the computer software which makes creating a yearbook somewhat breeze. This program enables the user to complete an average of eight pages per day. Sure beats pen and paper.

## College nis Johnson, Todd Lyden, Victor Miladinov, Lisa Rogers, Rudy Rumphal, Rafel **Bowl**

## C H 0 R U S

The College Bowl consists of ten varsity team members who travel to collegiate tournaments both in and out of state. College Bowl is similar to the Quiz Bowl played in area high schools, yet is strictly regulated and of greater difficulty. The team practices on Wednesday afternoons from 3p.m till 5p.m. Anyone walking by would see the resemblance to Jeopardy as red and green buzzers sound off when a team member ventures to answer a packet question.

Team members for 1994-95 were Kellie S. Fernandez, Daryl L. Hales (captain), Den-Szwejkowski, Derek Tang, and Pamela Thibodeau-Dick. Dr. Preslar serves as the faculty advisor.

A recent addition to the many clubs and organizations here on campus, the Monarch Dancers have quickly made themselves known. Performances at home football and basketball games alerted the student body to their presence. The Monarch Dancers have also performed at local schools spreading the public image of Methodist College. The Monarch Dancers are ranked 18th out of 41 teams from across the country thanks to a stunning video sent to the Universal Dancing Association's national competition. Coach Susan Ryan provides sound leadership and the team members do all of their own choreography.

Right: Todd Lyden holds the quarterfinalist plaque he and teammate Thomas Wooldridge took. Coach Humphreys is seen behind his team.

## D E B A T E

small, tenacious group of aters is known on the East st for besting favored big pol teams. Yes, the Metho-College Debate Team has ven their skills in tournents against the likes of the Madison University and orge Mason and come out op. They are ranked fourth District 5 of the National cate

Tournament which include Florida State University, Wake Forest University, University of North Carolina, and University of Kentucky. Coach John Humphreys says that this may appear odd since his team does not attend as many tournaments as the big schools. He credits the high competitive level and intelligence

of the team for it's success. Coach Humphreys urges all students to participate in the debate team. It is a great way to meet fellow students and polish up public speaking skills which are necessary for many careers. This is great practice for future lawyers, politicians, and teachers.

# Fellowship of Christian Athletes

This is one popular group on campus. In addition to conventions and recreational events, regular meetings are held on Sunday evenings at 8p.m. in the FCA room in the basement of Weaver Residence hall. Jim Peeples, assistant baseball coach, is the advisor for the MC Huddle, which welcomes athletes and nonathletes.

FCA is a nationally prominent Christian organization whose membership includes such well-known figures as Coach Tom Landry, of Dallas Cowboys' fame, Bobby Jones, former Philadelphia 76er, Herschel Walker, Dallas Cowboys' running back, and Nancy Caldwell, East Tennessee State University basketball player.

Methodist College adds its own outstanding athletes to the list. Alumnus Rob Pilewski represented MC and the NCAA division III in the USA/Japan College golf Matches in Tokyo in 1992. In 1995, Kelly Cap will be the first woman to compete in that tournament.

The purpose of FCA is "to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church."

Joyously united in one of the school vans, members are shown on their way to Ridgeport, NC for the 12th Regional FCA convention held in February 1995.

## Methodist College Ambassadors

Friendly faces and warm smiles are all part of the job as a Methodist Ambassador. This group of students welcome prospective attendees and/or their parents and give guided tours of the campus. Ambassadors are usually the best dressed people on campus in order to give a shining example of the Methodist College experience. Students are encouraged to join by applying in both the fall and spring semesters.

From Left to Right: A. J. Leuneberg, Heather, Jody Owen, Julie Kahl, Shelby Hutton, and Travis Kornegay.

## Methodist College Student Athletic Trainers Association

The MCSATA was formed in 1994 with the purpose of enhancing the knowledge of the student athletic trainers and improving the athleting training facility at Methodist College. The organization raised funds by selling Absolut Monarch T-shirts and sponsoring a campus billiards tournament. MCSATA also sponsored a needy family during Thanksgiving and participated in a reading program at C.W. Collier Elementary School in Hope Mills. The 1995 MCSATA officers are President Darren Thompson, Vice-President Kevin Starke, Secretary Susan Monestere, and Treasurer Patrick Schlosser.

## Monarch Playmakers

A support group for theatre! s might sound silly, but the narch Playmakers provide. I help to the Theatre detment. It is open to anyone rested in helping play protion by either working kstage or performing on-

stage. Two of the biggest hits this year, which the Playmakers helped were "Knight of the Burning Pestle", a modern adaptation which included the National Hollering Contest in Spivey's Corner, and the one act plays directed by students.

## Monarch Quartet

The Monarch Quartet consists of four of the finest voices in the area. Philip Colby, Jody Owen, Travis Kornegay, and LaraLee Jones are shown in the picture at right with their leader Marie Lakin. The Monarch Quartet performs at functions on campus and at churches in the surrounding area.

## Omicron Delta Kappa

Omicron Delta Kappa, O.D.K., is a national leadership society for juniors and seniors that recognizes and encourages superior scholarship, leadership, and exemplary character. The Society recognizes achievement in scholarship, athletics, student government, journalism, speech, mass media, and the creative and performing arts. Emphasis is placed on the development of the whole person, both as a member of the college community and as a contributor to a better society. New members were inducted on April 24, 1995 in the Hensdale Chapel.

New Members from left to right: Camisha Bell, Cara Vandenberghe, Brian Rogers, William Jordan, Dang, Elizabeth Horton, Jodie Young, Jason Williams, and Daniel Barros.

## Phi Sigma Iota

Phi Sigma Iota is an international honor society for juniors and seniors majoring or minoring in foreign languages who have at least a B average in their entire college work and in all foreign language course, have completed at least one course at the third-year level, and rank in the highest thirtyfive percent of their class in general scholarship. The motto is: To understand others is to understand oneself, one's culture, and one's heritage. Phi Sigma Iota awards scholarships, fellowships, and grants to deserving, ambitious, students, as well as faculty, to complete scholarly programs in foreign languages, literatures, and cultures.

From left to right: William N. Andrews, Adele Cyr, Efharis Kellissidou, Ana Ruano, Dennis Johnson, and Daryl H.

#### he Philosophy and Religion Club

Begun by Department Chair Dr. Ken Collins, the Philosophy and Religion Club met biweekly to discuss significant works in the areas of religion and philosophy. Parker Palmer's book To Know as We Are Known: Education as Spiritual Journey was the focus in the spring semester. Non-student members included Dr. Walsh, Dr. Potts, and Dr. and Mrs. Paul Johnson.

## Rainbow's End

Finbow's End consists of male and three female talto vocalists. This sestet perat choral events and othi portant functions on campus, such as Orientation Weekend and Homecoming. These talented singers also sing for resident students on occasional evenings.

From left to right: J. Lockley, Bethany Surridge, Michael Thrash, Dena Briggs, Benjamin Wells, Deidra Vandervort, and Dwayne Alan Walters.

## R.O.T.C.

The Reserve Officer Training Corps here at Methodist is proud to be named the Monarch Company. Consisting of sixty-six individuals motivated to be the best they can be, cadets train hard in order to do well in both competition and career. Captain Cedric Houston serves as director of the R.O.T.C. program, while Cadet Cpt. James Cook

commands Monarch Company. First and second year cadets are designated as MS-I and MS-IIs respectively. Third-year cadets, who are one year away from being commissioned, are called MS-IIIs.

Early November brought cadets from the entire Eastern Seaboard to the competition involving seven events: orienteering, weapons assembly, grenade assault, one-rope of patrolling, 10K road mand a Physical Training of Our very own Raider Collenge team arose victorious

The Monarch Company has a Color Gurad and a Rer Team. The Raider Team commanded by Cadet Lieutenant Stephen Howel open to all students, and physical activities.

## Sigma Omega Ch

This club is an honor society open to majors or minors in Sociology, Social Work, or Criminal Justice. Members must maintain an overall GPA of 2.7 and a GPA of 3.0 in the major or minor. Dr. Sill is the faculty advisor. The initiation

ceremony for new member held in April. An annual sc arship is awarded to the ac member with the highest G

## MC Stage Band

Row from left to right: Shannon Jinkens, Dr. Joyce White, and Kim Webb.
Row from left to right: Richard Fuqua, Darlene Allen, Mrs. Terri Brown, and
Kelyn Abram.

Islping others help themous is what the Social Work is all about. These devotodividuals are dedicated to munity and full realization ce's potential. This club is reularly active in communisarvice projects. Led by Dr.

Joyce White and Mrs. Terri Brown, members work to make life a little better for the less fortunate. Members collected donations of food and money in order to provide needy families meals for Thanksgiving and Christmas.

Directed by J. Michael Rogers, the Stage Band practices once a week in order to enjoy playing and presenting non-classical music to audiences. A rousing concert was held on April 4, featuring eighteen renditions of jazz and rock favorites. Smiles and toetapping could be seen throughout the delighted audience.

The Stage Band includes David Teague, Dan Devlin, and J.M. Rogers on saxophone. Stanton Trotter, Richard Hill, and Paul Reichle III have the responsibility for the trumpets. A lone trombone is played by Gary Stemple. The only female, Katie Brown tickles the ivory on a digital piano. John Glosson serves as the bass guitarist. The percussion section is headed up by Robert Acciardo, D.J. Godette, and Michael Manavian.

## Social Work Club

Below: Members begin loading truck with food for families during the holidays.

#### Social Work Is Not Limited To Club Members

Miss Methodist Kerry Oliastro donated \$370 and approximately \$80 in food to the Holy House of God Church and Shelter. The money and food was raised at a stand set up at Wilson's on Ramsey Street. The Residence Halls matched the funds raised. Elder Joe L. Burns and family received the gift on behalf of the church and shelter.

At right are several Social Work Club Members and the boxes of food they collected for Thanksgiving meals.

## Student Council for Exceptional Children

Advised by Dr. Betty Cline, the S.C.E.C. has risen from a small group to one of the most active on campus. An increase in membership by 500% landed our campus club a national award. President Victoria Allen charged ahead in the fall with the sale of sweatshirts. A Valentine's Day bake sale was also a success. These future educators share a love of challenges and desire to teach children.

President Victoria Allen (far left) leads one of the bimonthly meetings of S.C.E.C.

#### **Student Education Association**

Publicity...... Tonya McLaurin

Open to freshmen, sophomores, juniors, and seniors planning to teach in any field or at any level; the S.E.A. draws numerous students. S.E.A. is the Methodist College chapter of the Student North Carolina Association of Educators (SNCAE) and the National Education Association (NEA). Mrs. Jaunita Hevward serves as faculty advisor. S.E.A. strives to bring programs of interest to future educators in both leadership and professional opportunities. Several fund raisers, to include bake and T-shirt sales, were successful in raising funds. A fall and spring convention are held in Raleigh by the SNCAE and many workshops on matters concerning today's schools are given. A few students took these opportunities to learn more about their field and to network with other professionals.

## tudents In Free Enterprise

Students in Free Enterprise, or S.I.F.E., is not just a bunch of business and accounting majors finagling a way to make more money. This is a group of funloving students interested in making their first million, as well educating others about the beauty of a free economic system. Below are pictured several of the members with their fundraising project. In the spring of 1995, members cooked up the idea of a Smash-A-Thon using a run down station wagon. With local support from the likes of Subway and Nathan's Auto, the cause to eliminate a rising national debt was used for a good stress reliever and fundraiser. Even College President M. Elton Hendricks participated in the bang up.

Left: Lynley Spencer gets into swing of things.

At left: President M. Elton Hendricks is all smiles at his stressbusting efforts.

# Nothing Like Relieving a Little Stress!

t<mark>the brutal beating by students and staff, this car is ready for the junk yard.</mark>

#### Student Government Associatio

The S.G.A. is composed of full-time day students who are elected by the studente body. The purpose of S.G.A. is to represent the students to the college administration and design programs to meet the needs of the students. Participation of all students is encouraged. Elections for new officers was held during the spring semester.

New Officers are:
President - - Leon Clark
Secretary - - Derek Tang
Treasurer - - Jennifer
Winkles
Chief Justice - - Todd
Lyden

New Senators are:
Kris Broneill
Steve Burton
David Connolly
Jason Kemp
Michael McDermott
Luisa Michilli
Eric Nicholson
Joy Gilbert-Ludwick

## Student Teacher

Working and going to college at the same time is a difficult task. Consider how tough it must be to have your work graded for college credit. Student teachers go out into the public schools for ten weeks and do just that. Not only do they receive college credit, these individuals are evaluated by their visiting professors, master teachers, and their students. Every day is a real-world situation and these young professionals have to handle all of the responsibilities of a tenured teacher. At left is a photograph of the spring semester team of student teachers. It takes plenty of preparation, tenacity, enthusiasm, and love to make a good teacher. Best of luck to all of you!

## A Wonderfu

December 16, 1994 marked a new beginning for many students at Methodist - - graduation. Commencement speaker Charlie Gaddy, former news anchor at WRAL-TV in Raleigh encouraged graduates to use their power, especially the right to vote and community action, to make the world a better place. An honorary Doctor of Humanities was presented to Mr. Gaddy.

Reverend Tommy Smith also spoke at the ceremony. He emphasized the life and struggles of Jesus Christ as a mirror of our own personal tribulations. Rev. Smith received an honorary doctorate of divinity from college president Dr. Elton Hendricks.

The Cuban flag was presented to the college by Mrs. Julia Abner. The winter class proudly graduated thirty-seven members with honors. The Sam Edwards Award, designating an outstanding evening college student, was given to Ricky Darwin John.

# Wake Up Call!

A volunteer force of dedicated young people make up the Student Activities Council. In combatting boredom and lethargy, this group plans events, hires comedians, and showcases musicians for the student body.

No bones about it, Methodist College is the place to be.

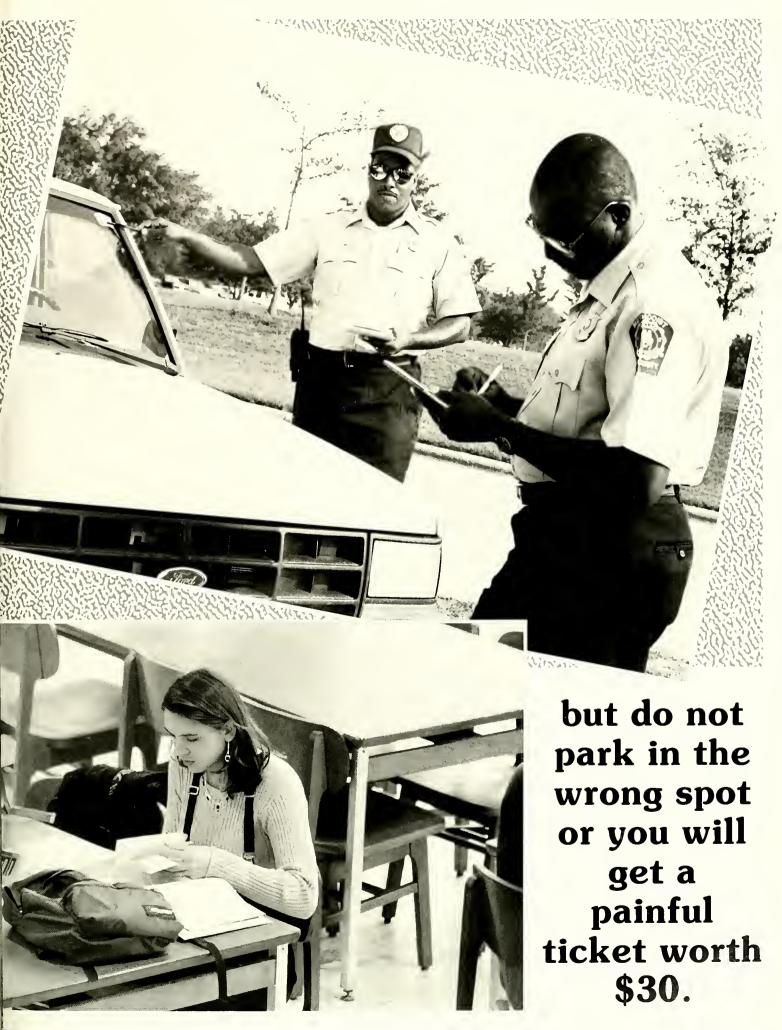

# Make It Your Own But Follow the Rules

Your room
right? No.
Dorm rooms
are really just
rented space.
But the
decoration
rules aren't
as bad as
some
landlords'.

You may feel handicapped,

udying in the library is free, but don't even try to eck out a book if you forgot your card or owe a fine.

the scoop on everything from profs, gossip, politics, and the opposite sex.

### he Busiest Place on Campus

u want to be where the action is, check out the Student Center. The top floor holds the Book Store, Post Office, Snack Bar, per Development Center, International Student Office, Student Government Association, Health Office, Intramural programs, the Mentor program. This is just a sampling of the people and places you can find inside. The bottom floor is where the peria and several dining rooms are located. Rev. Carrie Parrish also has her office near the entrance to the cafeteria.

The place to find a friend, a meal, a text-book, a package from home, a nap, a music video, a job, a tutor, a new video game, a pool tournament, a comedian, and the year-book.

## You've Gotta Have Friends

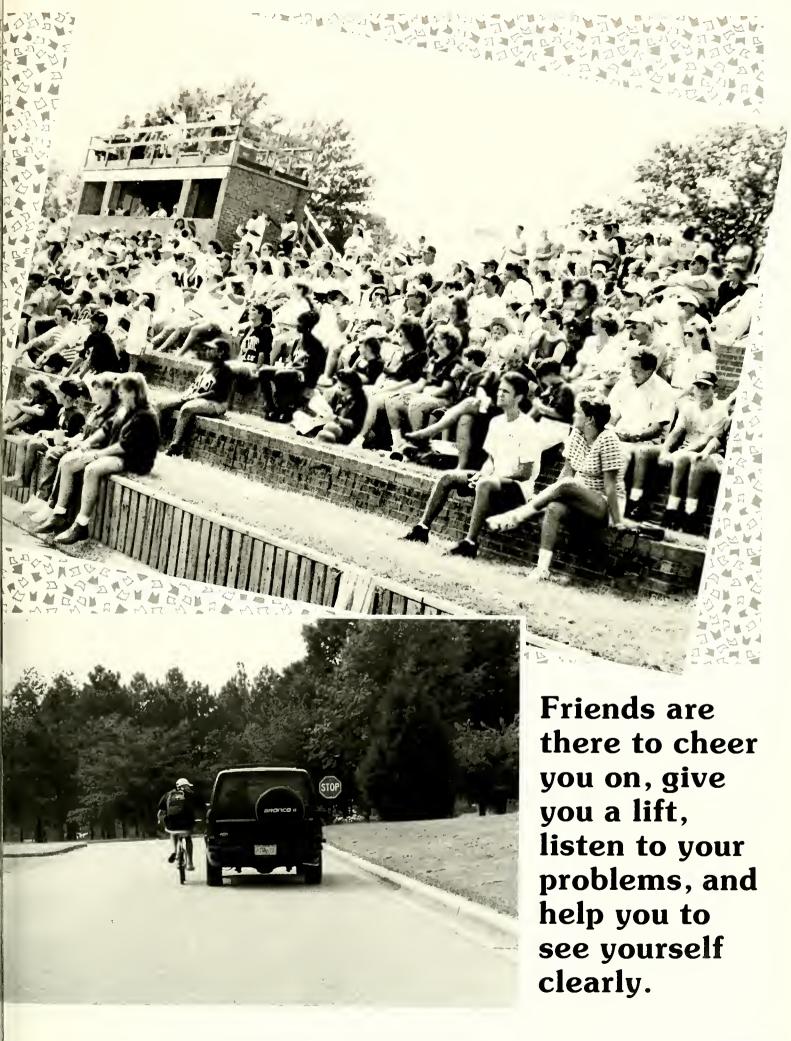

When the sun comes out it is time to gather up a few pals and play ball.

Study sessions can turn into serious rap sessions with good friends. So you thought it would be just the professors handing down wisdom, think again. Everyone has a little insight to give. Listen and learn.

# t Takes All Kinds Of People o Make A Wonderful World

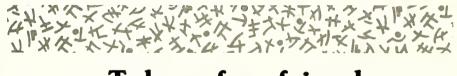

Men, women, vegetarians, meateaters, jocks, nerds, music-lovers, theatre buffs, artists, thin, average, heavy, Whites, Blacks, Hispanics, Indians, Arabs, Israelis, Japanese, Nigerian, biracial, multiracial, short, tall, Earth mothers, single fathers, veterans, citizens, aliens, immigrants, introverted, extroverted, divorced, married, widowed, single, well-read, ignorant, poor, rich, middle class, Christian, Jew, Muslim, atheist, straight, gay, bisexual, blonde, brunette, redhead. # Show You Care Day

The annual clean-up and construction weekend went off well this year. A new gazebo and brick walkway near the science building was the main project. Student volunteer carpenters, masons, and gardeners created a beautiful area for all to enjoy.

# Spring Fling

Aah, nothing like a little fun and games before finals! The weekend before the dreaded last week of school is reserved for Spring Fling -- a time to cook out, play, let loose, enjoy live music, and

Play like a little kid again. Hey, you're allowed it's Spring Fling.

Fire up the barbeque, strip down to the basics, and let the good times roll. Summer is almost here and it is time to let off some steam before heading into class for the final time this year.

Watch
out for
the
Supersoaker!

It just isn't Spring without baseball.

# Special Events

Methodist College hosted the Special Olympics in April 1995. Hundreds of competitors, coaches, and family members descended upon the campus. The football field was a sea of flags and banners announcing events. Many Methodist students also volunteered their time and energy to make the games a success. Parking may have been difficult during the three day Olympics, but the smiles on these faces show how important and enjoyable athletic competition is.

Yellow buses and short, young people can often be seen in the far front parking lot. DENTAC hosted "Tooth Tales" in Reeves Auditorium, since Fort Bragg's playhouse has been closed. This is added exposure for the college and a little extra work for the Theatre department.

### Before

After

# Construction Zone

# Renovations and

Hammers, dirt, paint, drills, dust, bricks, and sheetrock have been plentiful on campus due to the large number of construction projects. Additions include a new dorm building and paved parking area located below Weaver Hall. Sidewalks and fresh paint can be seen at the Student Center. Inside, get a glimpse of the new offices where video games and the pool tables used to be. Don't forget to cross the street in the freshly painted walkways. Soon to come, a library extension and a brand new entrance with our own street light.

# Improvements

Java, a job, exotic jewelry, or a just a class ring, the Berns Student Center has plenty to offer. This fall, Daily Grind Espresso set up a coffee booth and it has been a raving success. Many students crave the hot coffee done with whipped cream, milk, and fancy flavors. Fall and spring bring prospective employers to school. If you have not been before, you are missing a great opportunity to interview for and possibly land a good job ahead of graduation. Several vendors have set up tables bringing unique items to campus, such as the t-shirts and African jewelry pictured. Do not forget to get your class ring. This is a once in a lifetime chance to commemorate your years striving for that bachelor's degree. Catch the representative in both fall and spring semesters.

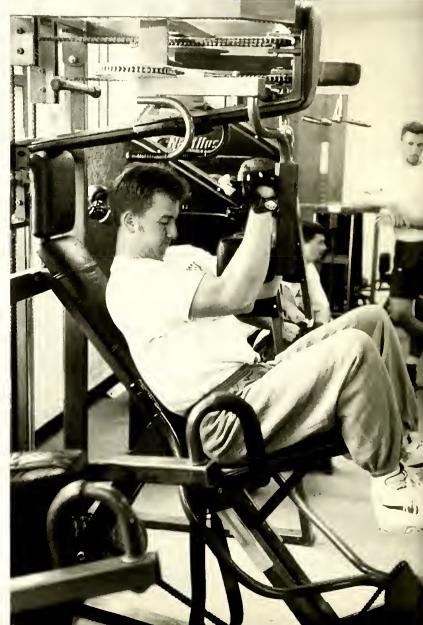

Whether you are lifting weights, running, backpacking, walking, or dancing aerobics, a little exercise can help the cardiovascular system and shed a few pounds. A sound body is key to a sound mind. The beauty of the campus is initiative enough to get outdoors, breathe fresh air, and sweat a little. Just think, by taking that first step to help yourself, you can also help others. A Red Cross Blood Drive is held at least once a year to strengthen the blood supply for those in emergencies.

Lighten Up and Help Out

One of the items your family, teachers, and counselors probably did not talk about that much is all the people you will meet and befriend at college. From your roommate to the College President, there are plenty of personalities to get acquainted with in four years. Classes, basketball games, weekend events, chapel, and the cafeteria are just a few places where you can get out and meet new faces. You can always count on finding someone with dissimilar views and attitudes. Strike up a conversation with him or her and see if you can come to an understanding. This is the first step in communication and eventual world peace. Do not overlook making a friend with a person who you disagree with. It is healthy to look at both sides of the coin.

A tradition of fine art is alive and well. Student artists display their talents in the Mallet-Rogers House for exhibitions in both the fall and spring semesters. Paintings, sculpture, ceramics, drawings, and collages are plentiful. Skill and fine craftsmanship are evident in these works. The Art professors have much to boast about. Artistperformer Denny Dent had a tremendous show in the fall semester. Shown here is his portrait of Billy Joel and his unique painting of an audience members jeans. Now those jeans are definitely limited editions and a real work of art.

# Have You Seen MC Like This Before?

Night is a great time to take a walk around campus, especially if the humidity has been pretty fierce all day. New street lights are currently being put in to make the campus safer. Escorts are also available to walk you to your destination if you do not feel safe. It is always best to take a buddy with you wherever you may roam at night. These photos show a calmer, more relaxed atmosphere of the campus. Evening classes are held four nights a week and a good number of full-time day students take an occasional night class. Get out and see the moon and the stars instead of viewing the television or studying the night away.

## Students in

Telly Sellars is majoring in Professional Tennis Management and enjoys the smallness of school. She says that it seems like everyone knows everyone else. The lack of fraternities is a disappointment. She counts Bobby Archardo as a friend.

Bobby Archardo likes the people at Methodist College. He is a pretty trusting fellow until crossed. The Harlan, Kentucky native is outgoing and loves tennis.

## the Spotlight

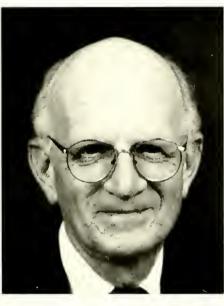

Kristin Klarenbeek is a Senior majoring in Psychology. She says her mom, a Methodist minister, chose Methodist. The tuition could be changed, but the personable professors and students make it nice. Darlene Hopkins is her best bud.

Kevin Starke is a Senior hailing from Kings Park, New York whose major is Physical Educaiton. Kevin also keeps busy with a minor in athletic training and psychology. The football program is what drew him here. He enjoys the small classes.

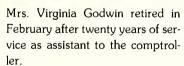

Above: Rev. Bill Lowdermilk speaks at his retirement dinner near the front street sign which was named in his honor.

Right: Mrs. JoAnn Taylor retired in March after twenty years of service as administrative assistant to Bill Lowdermilk.

Thirty-two years of service will come to a close September 1, 1995. Rev. Bill Lowdermilk is retiring as the Vice President for Church and Community Relations. A dinner and tribute were held May 13 with over 400 attendees. "Uncle Bill", as he is affectionately called, was happy to see old friends at his retirement dinner held in the Berns Student Center. Charles K. McAdams, Methodist's first director of pulic relations, was the first person to speak. He hired Rev. Bill Lowdermilk in 1963.

Dr. Hendricks presented an engraved mantel clock and the naming of the main street on campus in honor of Rev. Lowdermilk. In his speech, Rev. Lowdermilk thanked those who had inspired and helped him over the years. He stated that, "I've had the best possible life here. It has been fun, but it's time for a change." Best wishes in your new life Rev. Lowdermilk.

## Into a New Life

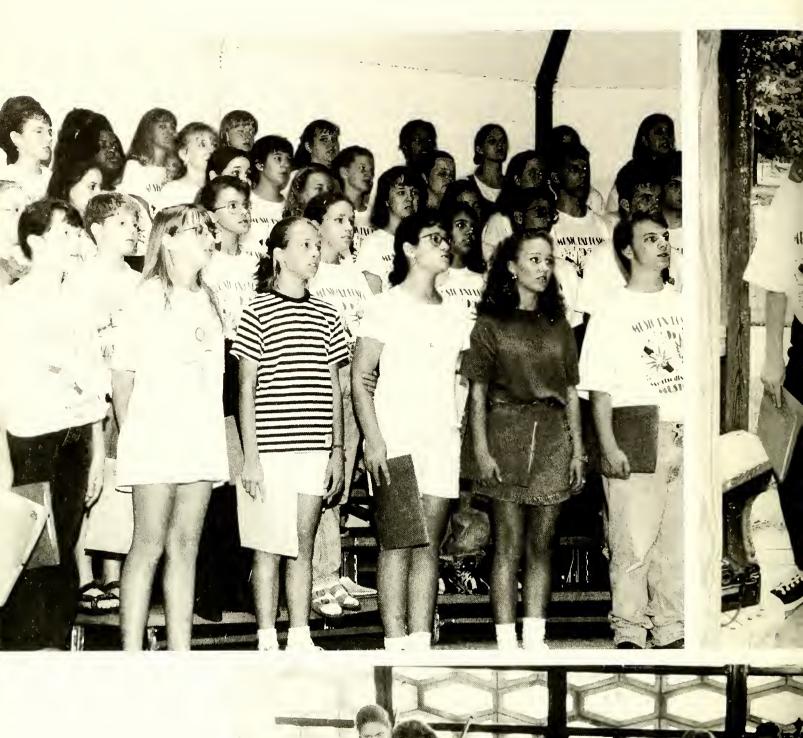

R. Parker Wilson gave thirty-two years to Methodist College before retiring in May 1995. April 29, 1995 was the evening of his retirement dinner. Mrs. Elaine Porter presided and several tributes were given by Sam Clark, Dr. Sue Kimball, Dr. Bob Christian, and others. Dr. Hendricks presented Mr. Wilson with an engraved plaque and announced the dedication of a new sign outside of the Trustee Building in Mr. Wilson's honor.

Mr. Wilson's love of music came through in the opening of the retirement dinner in singing "You're the Tops" with Dr. Diane Guthrie. Mr. Wilson also sang Sam Cook's "Wonderful World" and dedicated it to his former students.

The final chapel sermon was also given by Mr. Wilson. Entitled "The Last Lesson", he offered words of advice concerning people, place, and purpose.

Mr. Wilson plans to travel to Russia during retirement. He also will be available as a resource to public school teachers. Best wishes in the future Mr. Wilson.

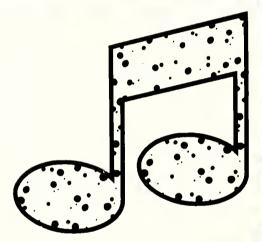

## Ever Wonder What Occurs Here in the Summertime?

Summer Camps! Not just one or two mind you, but about half a dozen summer camps are held on campus. Music Explosion dominates these two pages, but is not the main event in summertime. There are also a few sports camps held, as well as, statewide conferences for the Pentecostal and Christian churches. Plus, a traditional three semesters of summer school are also held for students needing to catch up or just taking it easy with one class at a time.

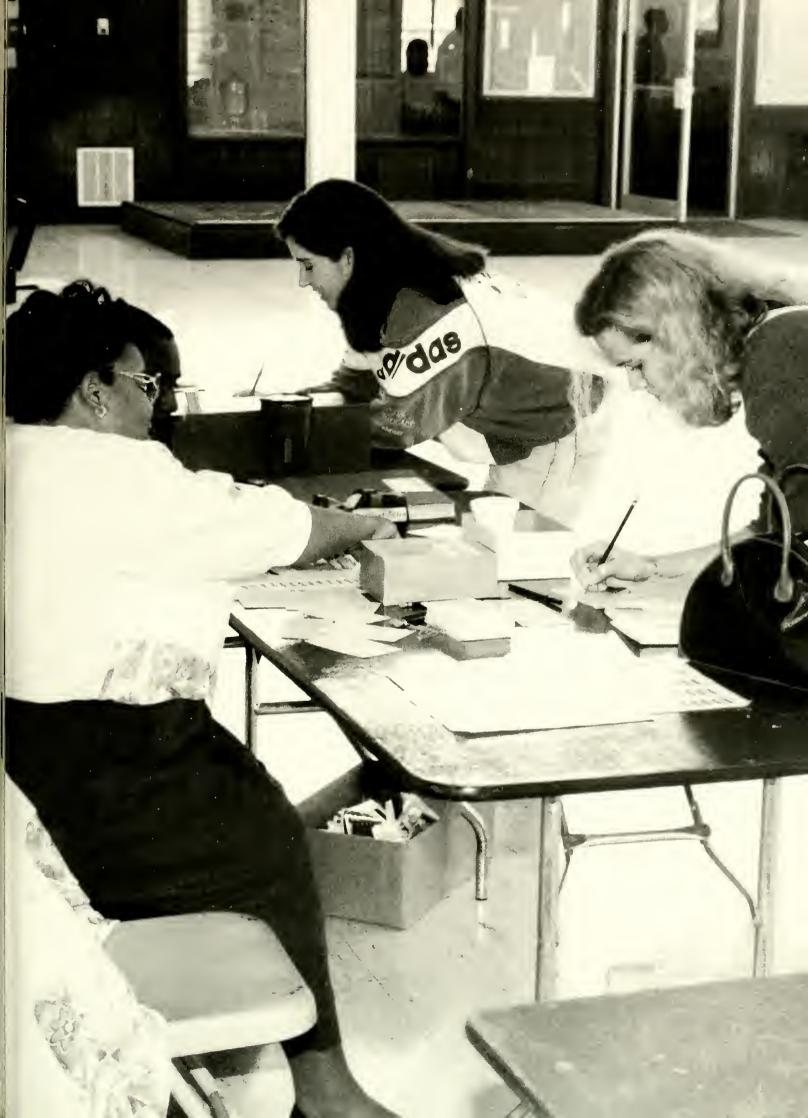

# Big Shots

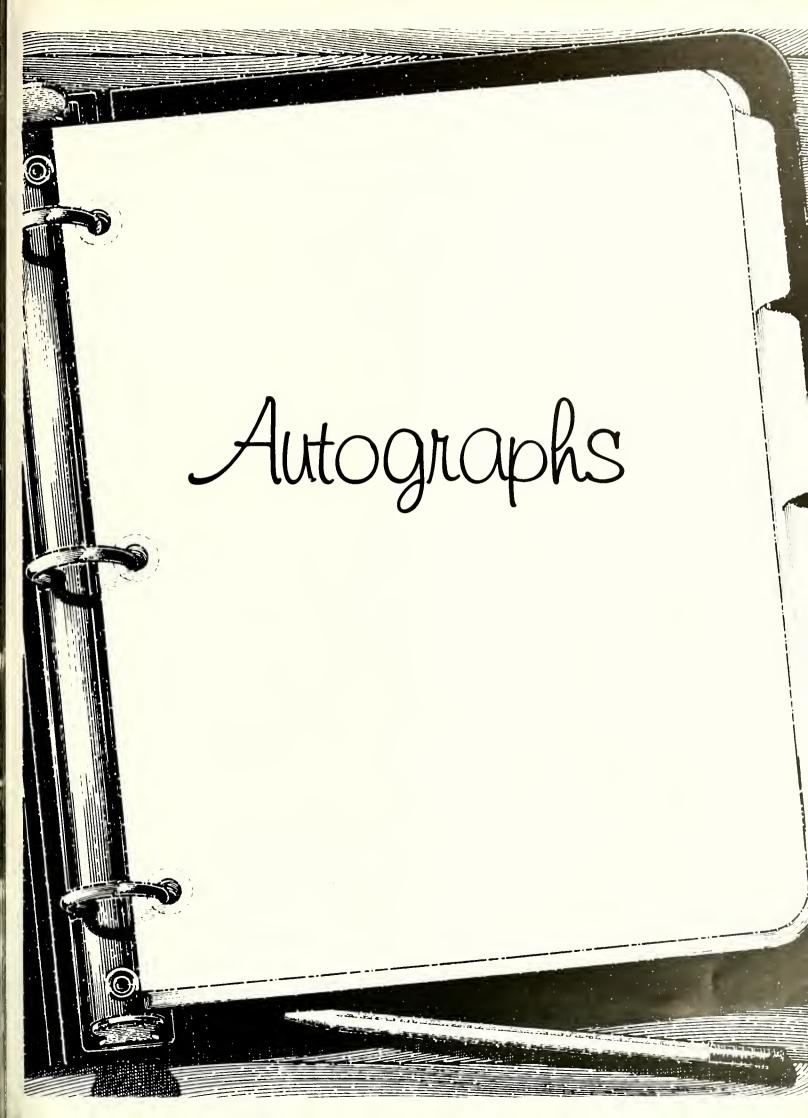

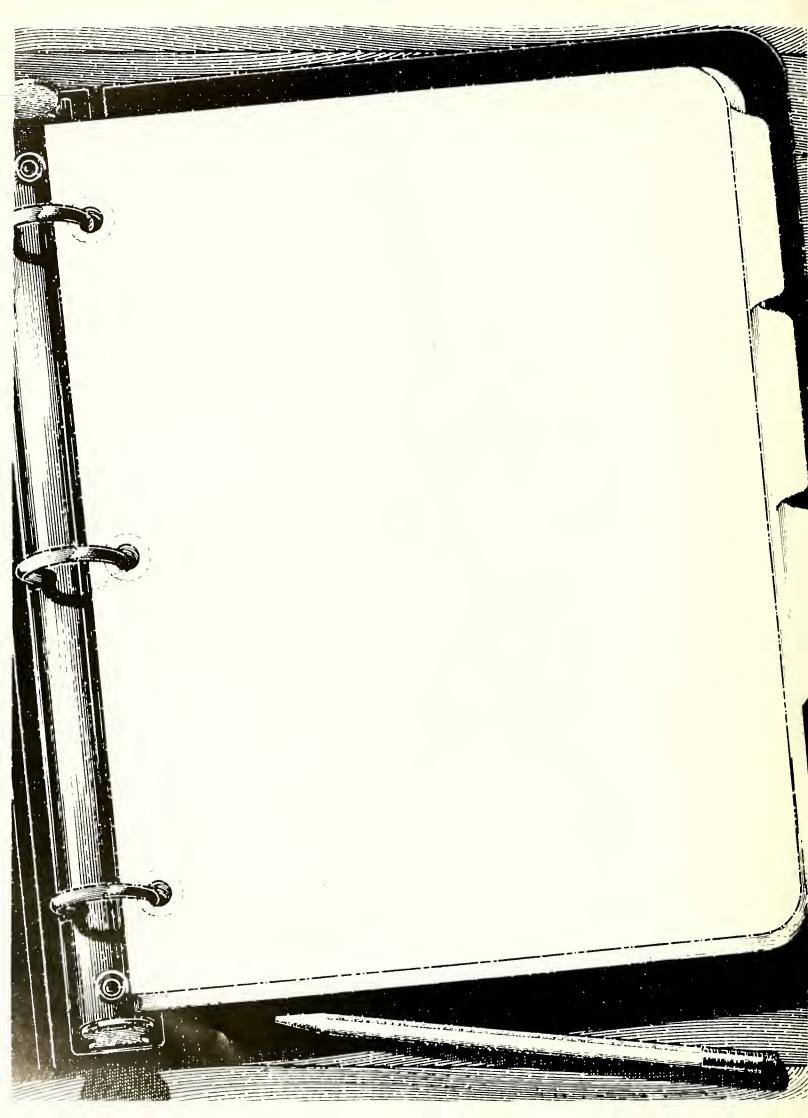

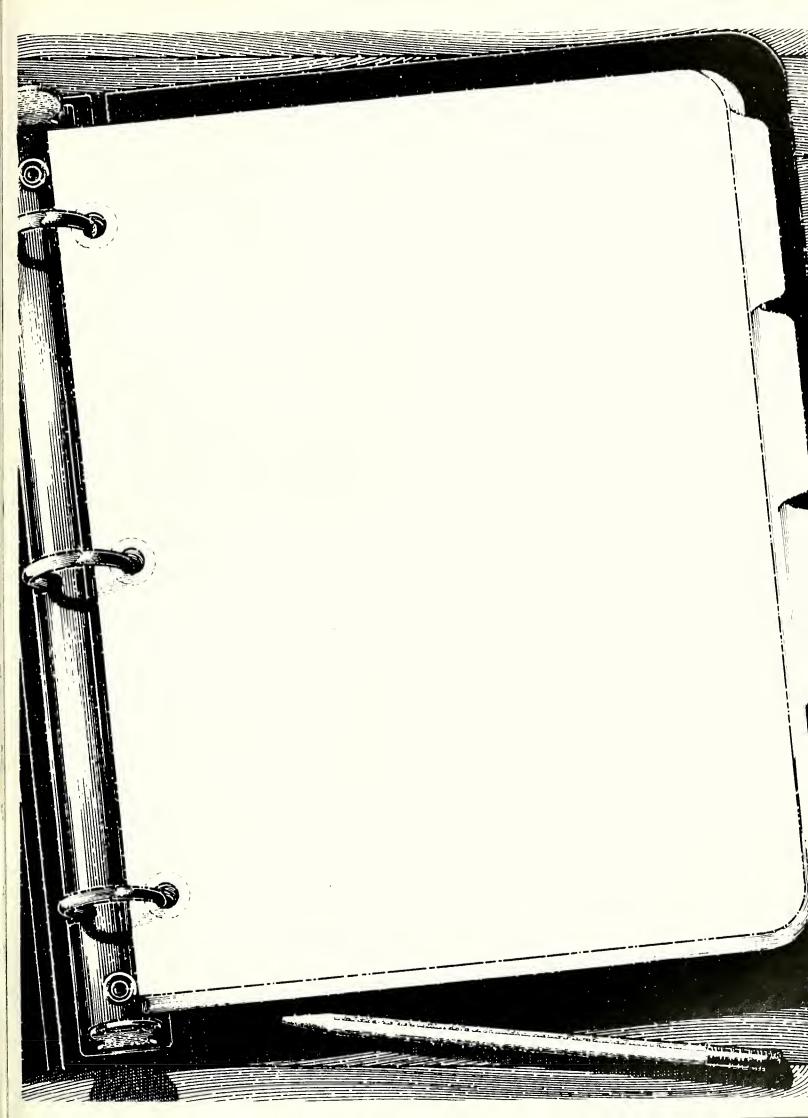

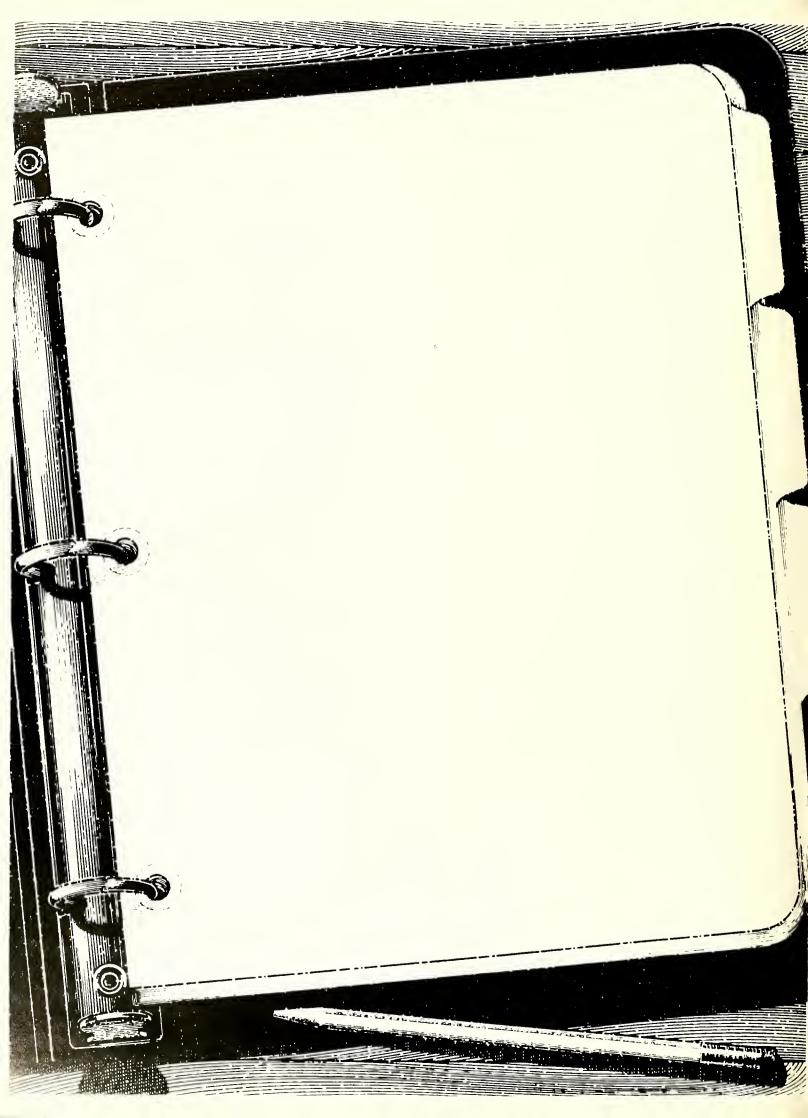

## Editor's Page

A
million and
one thanks go
out to each and every
person who helped make
this production a success. To my
husband Leonso, thanks for listening to
all my gripes, complaints, worries, and fears.
You are my rock and best friend. Without you I'd
be a mess.

Warmest thanks to our advisor Bill Billings. He supported our ideas and creativity, even when we were not sure where we were headed. Sorry for all the delays.

Leigh Watkins deserves a huge pat on the back. She did the sports section in record time with no complaints. It looks wonderful Leigh and I thank you for your committeent and good work.

Margo Jarvis also helped out wonderfully. Thank you for all of your ideas, typing, resources, and time. You made it much easier to complete this book. Good luck next year!

Richard Small, new photographer on campus, deserves my thanks for awesome pictures. Thank you for also printing many shots on your own at last minute notice.

Carla Clift, secretary for Public Relations, has been a smiling and friendly force. You handled mail, calls, and requests with utmost grace and professionalism. Thank you for listening to me and being a sounding board for ideas:

Thanks to Karla Oates for interviews and spectacular shots. Hopefully you will work on the yearbook again, because you have talent.

Randy Peterson also deserves a pat on the back for providing details and helping with identifying people.

Dave Ehinger, our Taylor Representative, should be given a medal for patience and enthusiasm. Dave listened to our requests, put up with late deadlines, and created an original design for our cover. Thank you for all of your help and I promise this won't happen next year.

All thanks to God, without whom nothing would be possible.

The 1994-95 Carillon was printed by Taylor Publishing Company based in Dallas, Texas. The press run was 550 copies which contained 200 pages. There were 16 full-color pages.

The cover was a stock background with computer-drawn design by Taylor Publishing Representative Dave Ehinger. The print on the cover was silver foil.

Souvenir typeface was used throughout the book which was printed on #80 gloss enamel paper.

Every photograph was electronically scanned and enhanced with the Taylor Ultra Digital printing process. The new software program Ultravision was used to design the yearbook this year.
